Dr. Lewis is a member of St. Margaret's and is an expert on Nazi Germany and modern Terrorism. We know that the Church has been implicated in many moral failures concerning the rise of Germany in the 1930's and know also that, since about 1963 and Rudolph Hochhuth's play The Deputy, Pope Pius XII has been seen as having failed in his responsibilities to the people of Europe. More and more literature is coming out that analyzes the role the Church and the Pope played in the events of the Second World War.

This is a wonderful opportunity to hear the arguments and be introduced to the literature.

INVITING CATHOLICS HOME: is a ministry at St. Brendan's, intended to help non-practicing Catholics find their way back to the Church. The program invites inactive Catholics to return to their faith, and supports them as they renew their relationship with the Catholic Church. Since beginning the ministry a few years ago, we have had numerous calls from people of all ages, seeking answers to questions about returning to the Church. Many have attended our meetings over the last several years. Do you know someone who has left the Church? As baptized, practicing Catholics, we have a precious gift of faith and love from the Lord that needs to be shared with our non-practicing brothers and sisters. It doesn't matter how long they have been away, they can come home to the Catholic Church if they want to. **Our next six-week series begins on Thursday, April 30th, from 7:00 to 9:00 p.m.** We would like to invite anyone who is interested to join us. Please call 876-1272, ext. 402, for more information.
